

WHAT WE'RE OFFERING

A complete, clinic-ready PEMF (Pulsed Electromagnetic Field) therapy system — FDA-approved since 1979, used at the Mayo Clinic and by the US military, and endorsed by Prof. Itamar Grotto (former WHO Executive Board member and Associate Director General of the Israel Ministry of Health).
PEMF treats chronic pain, fractures, arthritis, post-surgical recovery, neurological rehabilitation, and more — without drugs, surgery, or side effects.

WHAT'S INCLUDED

- ✓ PainFree PEMF Machine (full protocol capabilities)
 - ✓ Professional Treatment Bed
 - ✓ Treatment Rings & Targeted Applicators
- ✓ Comprehensive Staff Training (protocols + operations)
 - ✓ Proven Marketing Materials (adapted from Israel)
 - ✓ Lifetime Technical Support (video-call, Israel team)

INVESTMENT

Founding Partner Price: **₱750,000** (Standard price: ₱3,500,000 per unit)
Exclusively for the first unit in the Philippines. We need a local reference site; you get a market-entry advantage.
